EDUCATION

Queens College, CUNY   May 2018
BA in Computer Science
Relevant Coursework: Data Structures, Database Systems, Design and Analysis of Algorithms, Computer Graphics, Software Engineering, Natural Language Processing, Operating Systems, Computation Finance

CUNY Tech Prep - Student Web Developer   June 2017 – August 2018
- Prepare for a software engineering career via a competitive, yearlong training program that blends a full-stack JavaScript Bootcamp with professional development coaching
- Learn in-demand technologies like Node + Express, and PostgreSQL as well as industry best practices for design, implementation, testing, and deployment such as MVC, version control with Git/GitHub, agile & Scrum with Trello and Slack, TDD, and CI/CD

TECHNICAL SKILLS

Programming: Java, JavaScript, C++, HTML, CSS, Bootstrap, NodeJS, Express, OpenGL, Python
Technologies: Git/GitHub, Sublime, Android Studio, IntelliJ, VS Code
Operating Systems: Mac OS X

PROJECTS

Gallerie   Fall 2017- Spring 2018
- Created a photo slideshow web application enabling small time artists to share their work
- Modeled tables for photos, users, and subscriptions using PostgreSQL and handled the server using Node to host Gallerie onto a local host
- Organized tasks for a team of 3 people on Trello

Grocery List Manager   Fall 2017
- Developed an Android mobile application to help user keep track of grocery lists
- Persisted the data by using SQLite framework such as Room
- Coached and delegated tasks to a team of 4 people

Color Mixer   Summer 2017
- Programmed a C++ application using OpenGL to present two color boxes that can be adjusted via RGB sliders, saved, and blended and displayed on a separate canvas

RELEVANT EXPERIENCE

Applied CS with Android - Participant   March 2017 – May 2017
- Built simple Android gaming applications in Java on Android Studio to improve proficiency with data structures & algorithms under the technical mentorship of a Google Software Engineer

ADDITIONAL EXPERIENCE

Nassau Community College Men's Assistant Coach   February 2019 – May 2019
- Coached players on match winning strategies.
- Conducted day to day practices.
